Neil Foley, One of Oregon Water Polo's Champions

Oregon State High School Water Polo celebrates the memory of one of the State's most devoted coaches and champions of our sport. Neil Foley, former Coach of the Ashland swimming and water polo teams, passed away unexpectedly July 21, 2005 at age 55.

He will be remembered for his lifelong commitment and passion for learning. Neil was a teacher by training and taught in Australia, Alaska and since 1988 in Medford. His teaching carried over into everything he did, and is exemplified through his 32 years of coaching swimming and water polo.

Neil Foley was an all American swimmer at Chico state, where he also played water polo. He was the driving force behind the expansion of water polo programs in the "Valley" which has made water polo a more competitive sport in our State. Both Neil's sons, Adam and Tyler, swam and played water polo.

Neil Foley, the consummate coach and champion of this sport we all love. He will be greatly missed.

Welcome

On behalf of the Oregon High School Water Polo Committee (OHWPC) I would like to welcome you to the 2005 Oregon State High School Water Polo Championships. If the regular league season is any indication, be ready to enjoy some close competitive water polo games.

The OHSWPC is a volunteer organization that administers high school water polo throughout Oregon. Water polo in Oregon is comprised of five leagues; Metro, Pac 9, Mt. Hood, Valley and Southern. The top three teams from each league with the exception of one league each year has four teams, that head to state playoffs which is currently hosted in Corvallis. The playoff tournament decides the top eight boys and girls teams that will travel to the championships the following weekend. All of these games are coordinated by the OHSWPC. The committee also takes care of administering the sport during the regular season. Please take the time to thank our many volunteers that help all the kids throughout the state. Without them, this tournament would not be possible.

Also, we are extremely appreciative of the staff at the Osborne Aquatic Center and at the Tualatin Hills Swim Center. Please thank them for allowing us to hold this tournament in these excellent facilities. They go above and beyond to provide an excellent venue for the sport of water polo.

Good Luck to All the Players This Season,

Jim McMaster,
OHSWPC President
