Welcome

Welcome to the 2011 Oregon High School Water Polo Championships. This year's competition should be fun to watch with close competition slated in both the girls' and boys' brackets.

People have asked why the two top teams do not always meet in the finals. The reason is that we have a continual rotation of teams, and like tossing dice they just land where they fall. The same type of rotational format is done in other high school sports. Our association of coaches have discussed changing this format, but the conclusion is that if you are the top team than no matter the placement you should win your games. Also, trying to decide who may be the top two teams is not always clear and the criteria is sometimes difficult to establish in a fair manner. We encourage parents and fans to attend as many games as they can. Some of the most exciting games sometimes end up being the semi-final games.

The Oregon High School Water Polo committee hopes that you enjoy this year's state championships. One of our largest concerns is that the economy is affecting water polo. Families cannot afford to pay fees, and teams are struggling to pay for pool time, referee costs not to mention the high price of equipment such as suits, caps etc. Your continued support of water polo is appreciated. It is a great sport for kids to play, as well as spectators to watch.

Enjoy this year's state championships.

Jim McMaster,
Oregon High School Water Polo President

Thank you to our families, friends, and fans for their assistance and support
throughout the season. Without you, the continued growth of high school water
polo in Oregon would not be possible.

*Water polo is a game of strength, quickness and endurance. Exceptional
swimming ability and ball handling skills are especially important.*

OREGON HIGH SCHOOL WATER POLO

OSAA/OHSWPC Sportmanship Rules from the OSAA Handbook 2011

3. Rule 3 – Contests – Sportsmanship – Crowd Control

3.1. The arrangement of all festivals, meets, contests, or championships is the responsibility of the superintendent, assistant superintendent, or high school principal, subject to the Regulations of the Association.

3.2. When a festival, meet, contest, or championship is in progress, the National Federation of State High School Associations (NFHS) rules governing such activities shall apply, except for specific deviations as approved by the Executive Board.

3.3. Sportsmanship Responsibility. The high school principal, coach and other responsible officials of each member school shall take all reasonable measures to insure that the school's students and supporters maintain a sportsmanlike attitude toward all events so that events may be conducted without unreasonable danger or disorder. All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Derogatory and/or unsportsmanlike language is not allowed. No player may be singled out by number, name or position with negative comments of any kind.

When a petition is filed alleging violation of this rule, the Executive Director may, at his/her discretion and with concurrence of any two Executive Board members, postpone any pending event which the Executive Director has reason to believe cannot be conducted without an unreasonable danger of disorder. All such protests shall be referred to the Executive Board, which shall proceed as provided in Rule 4. In addition to any other action the Executive Board may take regarding a protest alleging a violation of this rule, the Executive Board shall have the power to cancel or re-schedule the event involved, or to impose conditions on conducting it.

3.4. Sportsmanship Violations / Penalties. When the students, staff, or supporters of any member school engage in unsportsmanlike conduct, disorder or infliction of damage to persons or property in connection with any festival, meet, contest or championship sponsored by this Association, the Executive Board may treat such acts as a violation by the school of the Rules of the Association. Any school whose students, supporters, rooters or partisans take part in riots, fights, pilfering, painting or any other unsportsmanlike conduct shall be subject to penalty.

3.5. A member school shall not participate in any festival, meet, contest or championship with a school that has been suspended or expelled from the Association.

3.6. The Association shall conduct state championships as directed by the Delegate Assembly.

3.7. A school shall not be allowed to participate in more than one state championship in a given sport.

66. Spectator Conduct at OSAA Sanctioned Events

In addition to the general expectations included in the OSAA Constitution, Rule 3, that school officials "shall take all reasonable measures to ensure that the school's students and supporters maintain a sportsmanlike attitude toward all events." the following specific expectations regarding spectator conduct at all OSAA sanctioned events, including regular and post season competition, are provided: *(Revised Fall 2008)*

- A. All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Some examples of inappropriate conduct or actions that are not permitted are: turning backs, holding up newspapers or jeering at cheerleaders during opposing team introductions; disrespecting players by name, number or position; negative cheers or chants; throwing objects on the floor. *(Revised Fall 2008)*
- B. Spectators are not permitted to have signs or banners (larger than 8 ½ by 11 inches), confetti, balloons or glass containers. Spectators are required to wear shirts.
- C. Spectators are not permitted to have artificial noisemakers. Some examples of artificial noisemakers are Thunder Stix, cowbells, clappers and air horns.
- D. Spectators shall not be permitted to use vulgar / offensive or racially / culturally insensitive language. Spectators shall not be permitted to engage in any racially / culturally insensitive action. *(Revised Fall 2008)*
- E. Spectators who fail to comply with Association or site management spectator conduct expectations may be expelled from the contest. *(Revised Fall 2008)*

1. Q. May home team schools display signs and / or banners at their home venues? A. Yes, home team schools may display "permanent" signs and / or banners that are positive / supportive at their home venues. Examples are welcome signs, in-season rosters, league banners, league / state championship banners and sportsmanship banners.
2. Q. May visiting schools bring signs and / or banners to hang at the host school's venue? A. No.
3. Q. Are "run through" signs allowed? A. Yes, so long as the message is positive / supportive.
4. Q. May a school use an artificial noisemaker at specific times during athletic events? A. In limited cases, yes. An example of an allowable use of artificial noisemakers by a school would be the firing of a cannon or the ringing of a bell after a touchdown is scored.
5. Q. May spectators use small, handheld megaphones? A. Yes, but only cheerleaders are allowed to use large megaphones. Neither cheerleaders nor spectators may use megaphones for banging on the floor or bleachers.
1. Q. What are some examples of cheers that do not encourage a positive atmosphere? A. Any yell that is intended to antagonize an opponent detracts from a positive atmosphere. "Air Ball! Air Ball!", booing, "You! You! You!", or "You Got Swatted!" are examples of yells that will not encourage a positive atmosphere. Conversely, a positive atmosphere is created when fans focus on positive yells in support of their team, rather than on negative yells attacking their team's opponents.
2. Q. May students stand on the bottom row of the bleachers? A. Yes, but when they sit down, they must be seated on the second row.
3. Q. May students cheer during serves in volleyball and free throws in basketball? A. Yes, so long as they are just "making noise" and not specifically addressing a contest official or an individual player from the opposing team.
