Dear Water Polo Community ~

After reviewing the guidance's from the CDC, Governor's mandate, OHA, OSAA, and that fact that schools will not be physically in session, we do not feel we can have a Fall Water Polo Season. While it is unfortunate, the wellbeing of our athletes, coaches, officials and fans are our priority.

Because of the passion associated with our programs and competition, it is important that we continue to explore other options, such as a modified or short winter/spring season. Therefore, the Fall Coaches meeting schedule for August 20, 2020 (and COVID postponed Annual Membership Meeting) will be held virtually to consider the future.

Please stay tuned for the formal announcement of the virtual meeting. We will post information on our [website](#), and make announcements via email.

Stay well, we look forward to the day when our programs can safely resume. We will play again!

Sincerely,

Mark Hokkanen  
Executive Director
