GO NHS TIGERS!

WELCOME

Welcome to the 2006 Oregon High School Water Polo Championships.

The Oregon High School Water Polo Committee (OHSWPC) is pleased that you can attend this year's event to enjoy some of the best high school water polo that the Northwest can offer. The sport continues to grow and prosper in the state.

Who would have thought ten years ago that we would have close to forty teams participating? It is amazing that this has happened with quite a few coaches volunteering as well as the OHSWPC also being volunteers.

Most high school sport championships are the responsibility of the OSAA (football, volleyball etc.). Because we do not have enough schools playing at this time the OSAA has not been willing to take us over. All of our schools meet OSAA rules with a few special provisions, but since we have so many school club teams that are not recognized or funded by their schools, volunteers take over the duties of the OSAA. These volunteers otherwise known as the OHWPC are elected every two years by the coaches. These volunteers are Rob Romancier (Albany), Angie Shureman (Barlow), Ron Thompson (South Eugene), Joe Rittaco (Beaverton) and Jim McMaster (Newberg). This board also hires an executive director to run the day to day operation of the organization and to make sure the state championships go off without a hitch. If you have the time and see some of these folks, please thank them for their help in bringing you this exciting tournament.

Another volunteer area is the selection of the All State Tournament teams. The vice president of the OHSWPC (Rob Romancier) is responsible for this process. Coaches from each league if possible are chosen by Rob to watch all the kids both days of the state championships. They are given a grading criteria to use. That criteria will tell the folks selecting how many kids can be chosen from the top finishing teams and there are some at large players outside of the top team finishes that can also be chosen. Coaches of the teams select four athletes for the selection committee to watch. The committee looks at that list, but is not required to pick just those kids. They look at the kids that play best in the state tournament overall. At the end of the state tournament the votes are handed in, counted and thus the teams are created. The process has been refined over the years to make it as fair as possible.

Enjoy this year's games and please support all of the players, referees and coaches. These folks have worked very hard to bring you an enjoyable, competitive state championship.

Yours in Water Polo,

Jim McMaster,
OHSWPC President
