THills Water Polo Club would like to say

Congratulations to Scott Brucker...

...for your recent promotion to
Superintendent of Sports at Tualatin
Hills Park & Recreation District.

Thank you for your vitality, vision and
commitment to THills Water Polo. We
appreciate all your efforts to help our
water polo athletes strive for
excellence in and out of the water.

WELCOME

Welcome to the 2007 Oregon High School Water Polo Championships.

Thank you for taking the time to support all of the athletes at the 2007 Oregon High School Water Polo Championship. All of the players, coaches and referees have worked hard over the last few months to bring you some exciting games at this tournament.

The Oregon High School Water Polo Committee which runs the state tournament is made up of volunteers who have a passion to improve the level of play in the state. One of its goals this year is to concentrate on coaching development, specifically how coaches work with athletes and act as role models. All coaches are required to take NFHS training which is a Coaches Education Program. This program helps coaches realize that there is more to coaching than just winning. In many ways coaching fundamentals or working on strategy is the easy part of the coach's job. It is working with all the different adolescent personalities, problems, successes and heartbreaks that are the real challenge for coaches today.

You as a parent have a unique role that can help a coach do his or her job. Staying positive during games, supporting the team by helping with the table, fundraising etc. can go along way in taking the burden off of the coach. Letting the coach know that you disagree with something he or she has done right away can lead to a quick positive outcome. It is when the parent does not communicate or the rumor mill starts that teams begin to have problems. Your support as parents is crucial.

Thank you again for coming to this year's tournament. If you have any questions throughout the tournament, please take the time to contact one of the committee members listed below who hopefully has an answer to your question.
