WELCOME

Welcome to the 2009 Oregon High School Water Polo Championships.

On behalf of the Oregon High School Water Polo Committee, I would like to welcome you to the 2009 Oregon High School 4A/5A/6A high school water polo state championships. A pleasant surprise this year was that all of our teams survived the economic downturn where many pools were threatened with closures and in some cases teams were on the cutting block. Thanks to the hard work of coaches, school administrators, parents, players and polo enthusiasts all of last years programs were kept in place. We have a total of 74 boys and girls teams playing this year in Oregon. We are not out of the woods yet. Several pools may still be closed or programs disbanded due to possible cut backs in school funding. More than ever we need the water polo community to step up and work towards helping the sport to prosper and grow. The kids love playing the sport, we all need to help to keep it afloat.

Speaking of love for the sport, please take the time to thank the many volunteers that help to make the high school season and state championship a success. The OHSWPC board of directors are all volunteers who work many hours to ensure that the championship tournament is successful. The monies that are collected at the gate and the T-shirts that are sold go right back into helping the sport grow. Gate revenue that is left over after paying all expenses goes to coaching development, equipment for new programs and also every coach that attends the fall coaches meeting receives coaching aids that help them coach and operate their programs.

Lastly, I would like to leave parents the following information on how to "Honor the Game".

1. Let your child know that you want him or her to Honor the Game* or get to the **ROOTS** of the game
 - a. Rules: We do not bend the rules to win.
 - b. Opponents: A worthy opponent is a gift that forces us to play to our highest potential.
 - c. Officials: We treat officials with respect even when we disagree
 - d. Teammates: We never do anything that would embarrass our team in or out of the pool.
 - e. Self: We live up to our own standards regardless of what others do.
2. Parents, be a good role model. Honor the Game when you attend games. Cheer both teams when good plays are made. If, in your opinion, an officiating mistake is made, be silent! Use this as an opportunity to think about how difficult it is to officiate a game perfectly.
3. Encourage other parents to Honor the Game.

Enjoy this year's state tournament,

Jim McMaster
Oregon High School Water Polo Committee President
