**OREGON HIGH SCHOOL
STATE WATER POLO
CHAMPIONSHIPS**

For 30 years I have had the opportunity to coach water polo at the high school level in the state of Oregon. For many of those years I have been involved one way or another helping to operate the Oregon High School Water Polo Committee which is the volunteer governing body for high school water polo in Oregon. Being on the committee and coaching for so many years has helped me come to appreciate all of our hard working coaches throughout our state.

Since many of our teams are not sponsored by their respective schools, many coaches work for little pay or nothing. Some teams have never won a league championship or state championship. The thing is, win or lose the coaches come back year after year to work with their kids again. I have asked myself is it the love of water polo or the love of working with kids that keeps them coming back? In a way I think it is a little of both.

I would like to end this years' welcome to the Oregon State High School Water Polo Championships by saying thank you to our coaches. Thank you for teaching your kids the sport of water polo. Thank you for helping to develop kids in and out of the pool and thank you for keeping high school water polo alive in Oregon.

Sincerely,

Jim McMaster

OHSWPC President

OSAA Handbook 2013-14

64. Spectator Conduct at OSAA Sanctioned Events

(Revised Fall 2009)

In addition to the general expectations included in the OSAA Constitution, Rule 3, that school officials "... shall take all reasonable measures to ensure that the school's students and supporters maintain a sportsmanlike attitude toward all events..." the following specific expectations regarding spectator conduct at all OSAA sanctioned events, including regular and post season competition, are provided:

- A. All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Some examples of inappropriate conduct or actions that are not permitted are: turning backs, holding up newspapers or jeering at cheerleaders during opposing team introductions; disrespecting players by name, number or position; negative cheers or chants; throwing objects on the floor.
- B. Spectators are not permitted to have signs or banners (larger than 8 ½ by 11 inches), confetti, balloons or glass containers. Spectators are required to wear shirts.
- C. Spectators are not permitted to have artificial noisemakers. Some examples of artificial noisemakers are Thunder Stix, cowbells, clappers and air horns.
- D. Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language. Spectators shall not be permitted to engage in any racially / culturally insensitive action.
- E. Spectators who fail to comply with Association or site management spectator conduct expectations may be expelled from the contest.

3. Rule 3 – Contests – Sportsmanship – Crowd Control

- 3.1. The arrangement of all festivals, meets, contests, or championships is the responsibility of the superintendent, assistant superintendent, or high school principal, subject to the Regulations of the Association.
- 3.2. When a festival, meet, contest, or championship is in progress, the National Federation of State High School Associations (NFHS) rules governing such activities shall apply, except for specific deviations as approved by the Executive Board.
- 3.3. **Sportsmanship Responsibility.** The high school principal, coach and other responsible officials of each member school shall take all reasonable measures to insure that the school's students and supporters maintain a sportsmanlike attitude toward all events so that events may be conducted without unreasonable danger or disorder. All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Derogatory and/or unsportsmanlike language is not allowed. No player may be singled out by number, name or position with negative comments of any kind.

When a petition is filed alleging violation of this rule, the Executive Director may, at his/her discretion and with concurrence of any two Executive Board members, postpone any pending event which the Executive Director has reason to believe cannot be conducted without an unreasonable danger of disorder. All such protests shall be referred to the Executive Board, which shall proceed as provided in Rule 4. In addition to any other action the Executive Board may take regarding a protest alleging a violation of this rule, the Executive Board shall have the power to cancel or re-schedule the event involved, or to impose conditions on conducting it.

- 3.4. **Sportsmanship Violations/Penalties.** When the students, staff, or supporters of any member school engage in unsportsmanlike conduct, disorder or infliction of damage to persons or property in connection with any festival, meet, contest or championship sponsored by this Association, the Executive Board may treat such acts as a violation by the school of the Rules of the Association. Any school whose students, supporters, rooters or partisans take part in riots, fights, pilfering, painting or any other unsportsmanlike conduct shall be subject to penalty.
- 3.5. A member school shall not participate in any festival, meet, contest or championship with a school that has been suspended or expelled from the Association.
- 3.6. The Association shall conduct state championships as directed by the Delegate Assembly.
- 3.7. A school shall not be allowed to participate in more than one state championship in a given sport.
